

## **The Schlosshotel Steinburg Würzburg A unique blend of tradition and enjoyment in a sophisticated atmosphere**

**Set high above the beautiful baroque city of Würzburg, inside the world-famous „Würzburger Stein“ vineyards, very close to downtown and still located in the midst of nature - this is 4-star-hotel Steinburg. You'll be touched by the sensational view over the river Main valley and the city while relaxing at the panoramic terraces. Excellent Service and exquisite Cuisine will inspire all your senses.**

Our historical buildings, „Traumschloss“ – „The Castle Manor“, „Landschloss“ – „The Country Manor“, and our modern new wing, the Refugium, offer a range of individually designed rooms. In a total of 69 rooms and junior suites, you will find an inspired fusion of classical elegance, old world castle charm, Mediterranean flair and contemporary style. So whatever you prefer – the Steinburg suites every style and taste.

Relax in our Finnish sauna and sanarium with aroma and light therapy or refresh in our swimming pool – A special highlight offers the open sunbathing area with stunning panorama views of Würzburg and the Marienberg Fortress.

Relaxing on one of our four panoramic terraces and sun terraces in Mediterranean-style is the perfect way to wind down from the hustle and bustle of everyday life – here you'll be in awe of the sensational views over the baroque city of Würzburg while enjoying a cup of flavorful coffee, or you can take the visual feasts of the surrounding vineyards.

Certainly, the Schlosshotel Steinburg offers an ideal spot for all kinds of exquisite celebrations and events. A classical greeting in the Castle Vault, wine tastings in the atmospheric „SteinReich“ cellars, a romantic diner in front of the crackling fireplace, or a rushing party in the ballroom/festival room/banquet hall „Plenum“ – Schlosshotel Steinburg provides the appropriate setting for many events, designed to suit any occasion throughout the year.

“Steinburgs Restaurant” welcomes its guests with excellent local specialties, mixed with Mediterranean cuisine. This is the place where tradition meets modernity in a perfect way! Chef de cuisine Michael Stimmler and his team interpret classical cuisine with a modern twist – made from locally sourced seasonal products, an exotic breeze and – all finished with an astonishing attention to culinary detail.

Situated at the heart of the world famous „Würzburger Stein“ vineyards, Steinburgs restaurant serves a selection of superior quality Franconian wines, an extensive selection of premium wines from local wine growers as well as international delicacies.

The Steinburg with its modern-style „Refugium“ is the ideal venue for conferences and corporate events. It provides the latest technical equipment and contemporary comfort of the highest level combining the historical ambience of a time-honored castle. Creative framework programs like cooking classes, wine seminars or torchlight hikes will make your visit memorable.

The 4-Star-hotel Steinburg was erected on the ruins of an ancient medieval castle and was opened in 1897/98 in the style of a restaurant. Since 1937, the Steinburg is in family holding of the Bezold's. In 1951, the Steinburg was expanded to become a luxury hotel and 2012 saw the completion of the „Refugium“, a modern east wing extension, designed for conferences and corporate events.
